JUNE NEWSLETTER

Dear Strathcona Families,

It is safe to say that everyone is officially in countdown mode to summer. Spring has always been a highlight of the school year for me at any school I have worked at. In addition to the teaching and learning that continues to happen at a high level in all Strathcona classrooms, there is a great deal of excitement buzzing around the school as our Grade 7 students think about their final days at Strath, as well as the transition to High School for next year. I look forward to the celebration of their time at Strathcona on June 22nd.

The grade 6/7 cohort recently returned from a three day outdoor education experience, and seem much more mature and wiser from it! With the stretch of beautiful weather we have been experiencing in recent weeks, classes have been participating in a variety of engaging field studies opportunities throughout the city. The excitement of the Spring Fair, as well as Sports Day, have set the tone for a wonderful final few weeks of the school year.

My favorite thing to do as a school principal is to find my way into classrooms each and every day at Strathcona. I am so interested in seeing what is happening in each of your children's classrooms, as well as connecting with them about their learning, feelings, and thoughts. It is the absolute best way for me to get a pulse of the Strathcona School Community. This is a wonderful place to learn, work, and play!

All the best to families for a successful school wrap up this June!

Sincerely,

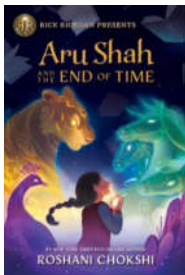

Jason Eng
Principal Strathcona

GRADE 7 GRADUATION CEREMONY

To all parents or guardians of Grade 7 students, there will be a graduation ceremony on June 22, 2018 in the gym at 11 AM. Following the ceremony, there will be time for families to take pictures, and afterwards the students will be going for a graduation lunch.

CONTEMPORARY ART PROJECT

Division 2 has been working on a year long project called A New Path to the Waterfall. This project situated a satellite gallery of the Contemporary Art Gallery within our classroom. Developed through collaboration with Portland artist Harrell Fletcher and the CAG, the project places local artists in Division 2's grade 6/7 classroom throughout the 2017-18 school year, re-shaping the ways in which we consider contemporary art, gallery spaces and public schools.

In a series of participatory projects reflecting Fletcher's interest in bringing art and life together, local artists Justine A. Chambers, Elisa Ferrari, Hannah Jickling, Carmen Papalia, Helen Reed and T'uy't'ananat-Cease Wyss have been collaborating with the students to create projects and interventions exploring different issues and investigating a variety of topics connected to the grade 6/7 curriculum. Each artist's tenure has been presented to the public through exhibitions, interventions, performances and public programming at six week intervals throughout the school year. Our final performance will take place June 14 at 5:30 pm in room C203. All are welcome.

A New Path to the Waterfall is generously supported by the Vancouver Park Board, the City of Vancouver, The Vancouver Foundation, TELUS Community Board, the Hamber Foundation and Artstarts/Artists in the Classroom.

LAST DAY OF SCHOOL

Remember that Thursday, June 28th is the last day of school for students. Students will be dismissed at 3pm. There is NO SCHOOL on Friday, June 29th for students. On behalf of all the staff of Strathcona Elementary, we wish everyone a fun filled, safe and happy summer!

CLASS PLACEMENT 2018-2019

Strathcona staff will soon be working to organize classes for September 2018. The teachers at our school take considerable care in determining the placement of students in classes for the new year. There are many factors that are important considerations in this process. It is hoped that the following notes will help parents/guardians understand how student placement is determined.

In deciding the placement of students in classes, staff members consider student groupings which balance academic and social needs. Student learning styles and relationships are also part of the process. Parent/guardian input can also be very helpful to our process. Our objective is to create classes which best meet the needs of our students.

Please note that if parents wish to write an email to Mr. Jason Eng, Principal, at jeng@vsb.bc.ca to share information about your child's class placement, it should be to share information about your child's ideal learning environment in regard to social, emotional, or academic needs. Should you wish to provide the school with extra information, please send an email by June 8, 2018.

SOLUTION ROOM

Solution Room is a lunch-hour service available to students through self-referral or teacher referral. Its aim is to help students solve playground issues/conflicts as they happen. It is located at the Safe Arrival Room across from the office and is open every lunch hour. The staff member on duty will be available to guide students through the process of appropriate expression of feelings, identifying problems, examining their role in the conflict, formulating safe and respectful solutions. Through this guided process, it is hoped that students will gain skills to handle conflicts in a more empathetic and compassion manner. For more information, please see Greg Goodall, Youth & Family Worker.

NATIONAL INDIGENOUS DAY

June 21 is National Indigenous Day! This day celebrates the unique heritage, diverse cultures, and contributions of Indigenous peoples (First Nations, Inuit, and Metis) in Canada. During the second and third week of June several classrooms will showcase what they learned about Indigenous people on their classroom bulletin boards and hallway walls. Feel free to check them out while you are dropping off or picking up your child/children at school. In addition, the Red Fox Strathcona drum group and the Nisga'a dancers will be participating in the Strathcona National Indigenous Day assembly on June 20th in the afternoon. On June 15th an event called the Reconciliation In Action (RIA) will be happening at the Strathcona Community Centre from 3:00 p.m.-6:00 p.m. Please feel free to join in the activities during RIA with friends and family.

STUDENT SHOWCASE

Story Studio At Strathcona Elementary

Some Thoughts by Division 20:

- "When I looked at it, I liked it."
- "It had the same boat puzzle as us."
- "I liked it when I worked together with Atlious."
- "There were lots of books."
- "I like the story."
- "I liked all of the colourful water bottles on the shelves".
- "I liked working with Grayson."

We are very fortunate to be the first School in Vancouver to have a Story Studio learning space. We have been working with Gina Wong, our District Literacy Teacher, in organizing a space in our school to support children in finding, creating, building, drawing and writing stories. The Pop-Up Story Studio concept was inspired by Opal School in Portland, Grauer Elementary in Richmond and Annieville Elementary in Delta. The Story Studio is full of art materials, Indigenous materials, loose parts, natural materials, story mats and picture books. The students are invited to use a variety of materials to provoke their sense of wonder, imagination, thinking and respond by creating stories. It has been an amazing and inspiring experience for all of the students who have used the space. Stories have been created in English and French from students in Kindergarten to Grade 7. We are happy to have the opportunity to continue with the Studio in September 2018!

PAC CORNER

By the time you read this, the spring fair will have happened and that marks the last major event that the PAC will be hosting for the 2017-2018 school year. The fair was made free for the school students this year as an experiment to see if we could have more inclusion and a higher participation of all the students. This was made possible by generous help from:

- Vancouver Foundation & The Strathcona Community Centre's joint Small Neighbourhood Grants
- Nester's with the help of manager, Mike Pare, who arranged for the concession food to be donated
- Catherine Bowers of CABO Enterprises who donated the slushes and use of her slush machines
- DC Complete Financial Services Inc. donated popcorn and the use of its popcorn machine
- private donations of money to help offset costs to hire the games
- Telus for their volunteer crew
- April Griffin and Kennedy Goodkey for coordinating the volunteer help from Telus and the Strathcona PAC
- Anya Ellis for handling the face painting logistics
- The school staff and PAC volunteers
- The grade 7's who volunteered to run the games
- Markus Schinkel for storing the fair equipment and remaining PAC property

Due to unforeseen circumstances, the last PAC meeting was delayed until June 13. This meeting will have the PAC elections for the 2018-2019 year on the agenda, a petition for signing for the community centre due to the loss of Federal Government funding for their Summer Day Camp Programs and a projection for the following school year PAC budget needs.

The Strathcona Community Centre Association (SCCA) is writing a letter and launching a petition to appeal government funding cuts to the Canada Summer Jobs (CSJ) program that supports summer children and youth programming. This year, for the first time in 45 years, the government is not providing an approximately \$50,000 grant. If you would like to support this petition, or would like further information, please contact the Strathcona Community Centre Association.

Lastly, June 28th at 5:30 pm, the PAC will host a wrap party to thank all of the volunteers. Please RSVP to April or myself if you are able to attend.
